- We have established business relationships with appropriately qualified professionals and contractors enabling us to assemble multi-disciplinary teams to suit client needs.
- We are members of the Queensland Outdoor Recreation Federation, Sports Federation of Queensland, Men of League Foundation and Queensland Fitness, Sport and Recreation Alliance.

## Our clients

Experience and knowledge in sport and recreation planning and grant/fundraising has led to a constant demand for our services from clubs, local government agencies, not for profit organisations and community groups. We are currently servicing over 250 clients.

## Services

### Planning

We assist groups in developing strategic planning documents designed to guide the future direction of the organisation. We also offer a range of other planning services including: Business Plans, Management Plans, Grant Audit Reports, Master Plans, Facility Development Plans and Feasibility Studies.

### Grant Writing

Significant funding is available on an annual basis for a variety of projects ranging from small equipment grants to large infrastructure works. We have a proven track record in working with groups to access funding from a variety of sources.

### Project Management

We offer project management (administrative) services allowing projects to be progressed with little effort by the client. This allows our clients to maintain focus on core business activities.

### Government Liaison

We are regularly engaged to assist clients in dealings with government. Such engagements include planning assignments, preparation of documents for presentation to government and/or issue resolution.

### Sports Administration

We support sports clubs in improving administrative processes and systems and provide administrative support services tailored to client needs.

### Player Management

Matthew Fitzpatrick of Momentum is an accredited National Rugby League Player Agent. Matthew offers you professionalism, confidentiality and personalised service. Clients are supported to achieve their goals both on and off the field.

## Success Stories

### *Grants of over \$6.3 Million – Redcliffe District Rugby League Football Club/Redcliffe Leagues Club*

Field resurfacing works, construction of dressing sheds/player's gymnasium, installation of water harvesting system, construction of health precinct incorporating pool, gymnasium, consulting rooms, crèche and café, solar installation, employment of a staff member and equipment for junior football.

*Matthew's sporting background, when combined with his skills, experience, qualifications and established networks means that he and the team at Momentum are uniquely placed to provide tremendous services to licensed clubs.*

### *Over \$1.1 Million – Brothers Leagues Club, Ipswich*

New sports facility including 2 fields and lights at the South Station Rd site, Community Gala event, mobile lighting, gym fit-out, solar panels, cricket net upgrades, employment of a staff member, kindred club support – development programs and equipment for multiple groups supported by the Leagues Club.

*Brothers Leagues Club has used the specialist services of Momentum for a number of years with significant success. Over one million dollars in funding has been obtained for our Kindred Clubs at Brothers Ipswich. The development of our highly anticipated sporting complex is now under way as a result of two successful grant applications which were compiled and submitted by Momentum. Whether the application was for \$1,000 or \$300,000 the same high level of commitment and professionalism from Momentum was always provided. I have no hesitation in recommending the services of Momentum Sport Recreation and Health Consultants as their contribution to the ongoing viability of our Kindred Clubs has been invaluable.*
