Dear Nathan,

I write to inform you that the final adjustments were made to our new lighting system last week.

Although it will be some weeks yet before we start using the Turf Training Centre & your accompanying lights it seems to me that everything is just great.

I would like to say that it has been a pleasure dealing with you and your company. From our first get together until job completion - you have been easy to get hold of and have followed up on all our discussions in a positive and timely manner. Excellent service, which of course, should be normal - but is actually all too rare!

It would be remiss of me not to mention your leading electrician. Sean has proved to me that not only is he a top quality tradesman but he is a delight to work with as well. At all times he was courteous and attentive to our needs. Right from the get go he impressed us as someone we could trust to get our project done. As far as I am concerned employees like Sean are "gold" and add tremendously to your company. He is a real asset to you.

Nathan – Thanks for getting our jobs done efficiently and on time. You kept all your promises.

The Maroochydore Cricket Club Incorporated would not hesitate to recommend you and your company to any prospective clients. Feel free to pass my telephone details onto anyone who requires a reference.

If you or Sean are ever near our venue in the future please call in to say G'day.

Kind Regards,

Mike Burke (Honorary Secretary)
